

Fautleroy Children's Center
35th Annual Auction
"Come Together"
March 14 - 20, 2022
Online & In-person

Dear Business and Community Members,

The first few years of a child's life are critically important in determining the trajectory of their development. They represent a key window of opportunity to shape cognitive, social, and academic skills that lead to success in school and in life. Early childhood education is expensive but vital. Since its founding in 1977, the early childhood programs at the Fautleroy Children's Center (FCC) have benefited thousands of West Seattle children. This would not be possible without support from business and community members like you!

FCC is preparing for its 35th Annual Auction. We are asking for your help to raise \$55,000 to support the amazing work FCC does for children. Every dollar raised will go toward updating our beloved outdoor play structures, supporting continuing education for our teachers, funding tuition assistance for families in our community and other essential needs. Over the past two years, our incredible educators have gone above and beyond, adapting to a constantly evolving situation while providing a safe and loving space for our children to learn, play, and grow. We would sincerely appreciate your support through the donation of a product, gift certificate or service, or a direct financial contribution in support of FCC. Every donation gets us closer to our goal!

The auction will run online March 14 - 20, 2022. For the first time since 2019, we'll also be gathering to celebrate and raise funds in person on March 19, 2022. As a thank you for your contribution, your business will be publicized to hundreds of auction bidders, including community leaders. You will be listed in our auction catalog and in publicity distributed through the FCC community prior to the event.

FCC is a 501(c)3 organization. Your donation is a tax-deductible charitable contribution. We depend on grants and donations to serve and invest in the future of your community. Attached is a procurement form. To make a donation, please return it to us by February 18, 2022. If you would like us to arrange pick-up of your item, please contact us at 206-932-9590 or auktion@fautleroychildrenscenter.org. We will follow up with you in February to coordinate. Please also find attached information regarding sponsorship opportunities.

We thank you for your consideration. Your support helps make FCC a great place for children!
